

Job's Daughters is your place! A fun and exciting group of girls who love life and learning about our place in the world. A lady named Mrs. Ethel T. Wead Mick created this group for girls in 1920—over 90 years ago!

We have members in the United States, Canada, Australia, the Philippines, and Brazil. Over 10,000 girls, ages 10–20, belong to Job's Daughters worldwide.

In Job's Daughters members learn to be leaders and have the chance to travel to meet and work with other members from around the world. There are many activities such as swimming parties, dances, family picnics, sleepovers, mini-golf and much more! The members run their meetings and their activities.

Job's Daughters raise money for the Hearing Impaired Kids Endowment (HIKE) each year. HIKE gives the money to provide children with hearing aids and other equipment. Over \$5 million has been raised and more than 2,250 hearing devices have been donated to children.

“And in all the land were no women found so fair as the daughters of Job; and their father gave them inheritance among their brethren” (Job 42:15). This is the Bible verse upon which Job's Daughters is based.
