

Job's Daughters International

Certified Adult Volunteer Trainer

Application

The role of a Certified Adult Volunteer Trainer (CAVT) is to train CAV applicants according to JDI standards and certify that they have been fully briefed on the JDI Youth Protection Policies and Guidelines. A CAVT is an officially recognized trainer for the JDI Youth Protection Program and has been issued and instructed on the officially recognized training materials.

There are some basic qualifications that are required in a CAVT and are a few things to consider before applying to be a Certified Adult Volunteer Trainer:

- Only a Certified Adult Volunteer (CAV) may apply to be a trainer
- Must be well versed in the CAV class materials
- Be comfortable speaking about difficult topics in front of strangers.
- Have some background experience or knowledge of working with adolescents.
- Able to answer questions from trainees about JDI structure and the JDI Youth Protection Program, including issues faced by youth (abuse, neglect, mental health, alcohol, drugs, internet safety, etc)

Note: While we have information about all these issues in our training manual and can train a CAVT on all these things, questions will arise from class participants that a CAVT needs to be comfortable answering. Having been a member of Job's Daughters, in and of itself doesn't qualify someone to be a CAVT. It doesn't mean they are excluded of course, it just means an applicant needs to consider what other qualifications and/or experiences they have that enrich that wonderful life experience. This is why we ask questions about education background, work experiences, etc.

The process to become a CAVT is as follows:

- Be a CAV
- Application made using the CAVT Application Form YPP 003
- Monitoring of a CAV class conducted by another CAVT
- An Interview conducted by the Executive Manager or another CAVT
- Training two 'try out' sections at a CAV Class and monitored by another CAVT
- Attendance at a CAVT Training class
- Conducting an CAV Class with an assigned CAVT monitor in attendance
- A CAVT card will be issued by the Executive Manager upon successful completion of this process

To retain status as a trainer a CAVT must:

- Maintain continual CAV status
- Re-certify/renew their CAVT status every five years
- Conduct a minimum of five trainings during the above referenced five years
- Not schedule classes on their own, CAV classes are scheduled through a designated CAV class coordinator.

Please note, the JDI Board of Trustees reserves the right to revoke a CAVT's training credentials at any time.

Thank you for taking the time to consider becoming a CAVT, we appreciate the willingness to strengthen our Order by strengthening its adult support.
